

# CALIBRO

# CALIBRO

The new Moto Morini Calibro is the perfect ally for anyone who takes motorcycling as a way of life. With total road control, impeccable grip, and exceptional handling, this motorcycle embodies the pure essence of freedom and adventure, bringing it into everyday life. The new Calibro turns every ride into an extraordinary experience, enhancing your independence and fueling the desire to accelerate towards ever more intense and unforgettable emotions.

## ***CUSTOM SOUL***

The new Calibro, with its exclusive and bold design, invites you to explore every corner of the city with adventurous spirit and let you feel part of a community united by a passion for the custom style. Moto Morini's experience ensures handling, quality finishes, and a reliable engine: a perfect balance between power, control, and an extremely engaging riding experience.

## ***CHARM AND STYLE***

The new Calibro is the synthesis of Italian design and style in every detail. With muscular lines and a charming yet aggressive look, beauty is expressed in all its nuances. A motorcycle that amazes at first glance and captivates from the very first ride. Even in the city, along familiar routes: the sense of wonder pounds to the rhythm of the new Calibro.
