A close-up photograph of a motorcycle's rear section, focusing on the stainless steel muffler. The muffler has a distinctive, multi-faceted design with a large, rounded, reflective opening. It is mounted on a black frame. In the background, a gold-colored wheel and a red engine component are visible. The overall lighting is dramatic, highlighting the metallic textures and mechanical details.

## USB Charger

A close-up photograph of a motorcycle's engine and cooling system. The focus is on a large, black, rectangular radiator with horizontal cooling fins. The radiator is mounted on a frame, and various engine components, including pipes and hoses, are visible around it. The background is dark, highlighting the metallic and plastic parts of the engine.

**X-CAPE**

**Large Radiator (396\*182mm)**

Fish scale appearance

A red motorcycle is shown from a front-facing perspective, focusing on the handlebars, mirrors, and instrument cluster. The instrument cluster is digital and displays various metrics including speed (0 km/h), RPM, fuel level, and temperature. The motorcycle has a sleek, modern design with a prominent front fairing and side mirrors.
